Guest Speaker: Dep. Jorge Valdivia from CV Sheriffs' Station neighborhood watch

Home, car burglaries. There is group of professionals that break in quickly get in and get out.

They do a door knock/ go around back and try and get in.

This is one of the safest areas, however you need to be aware. Most occur in during the day.

Lock you doors and windows.

They are looking for identity theft, small carry away items. Get to know your neighbors. There could be Fake gardeners/repair people. Pay attention.

They don't like dogs, they don't want any noise. If you see anything get a license plate number.

Think about being a neighborhood watch dog.

Call the Sheriffs Station for a Girl Scout Meeting.
